[detail. **COIN CAPS.**]

Buster + Punch launches a collection of dog collars and leads, hand crafted from the finest leather with solid metal detailing.

The lead is studded with our solid metal coin screws and features a solid metal carabiner fastner. The lead is finished in black buffalo leather, gently embossed with our 'B+P' pattern and the inside of the handle is made from super soft cow leather, naturally stained in purple. The dog lead is designed to match the dog collar.
